

"Elections cannot be allowed to change the economic policies of any country"

-Wolfgang Schauble.

"The UK has huge trade deficit with EU partners. Those that say the EU would cut us off for leaving are dreaming"

-Ruth Lea

"Europe brings peace. Is that so? It is becoming obvious that you cannot have the economics of the Great Depression without having the politics of the Great Depression"

-Nick Cohen. The Spectator 2015

"It is in reality a self evident position that no nation in a state of foreign dependence, limited in its commerce and cramped and fettered in its legislative powers can ever arrive at any material eminence"

-Thomas Paine.

"The Eurozone is economically moribund, persists with policies that have demonstrably failed, is indifferent to democracy, is run by and for a small, self-perpetuating elite, and is slowly dying."

-Larry Elliott. Economics Editor, the Guardian.

"The most puzzling development in politics during the last decade is the apparent determination of Western European leaders to re-create the Soviet Union in Western Europe."

-Mikhail Gorbachev

"Like other countries, ours will have it's problems, but they will be our problems."

-Gandhi

"When it becomes serious, you have to lie"

- Jean-Claude Juncker,
President of the European Commission.
